

Jan. 21 & 25 3rd Steering Committee

[Date]

- Jan. 21 (Thu) 16:00 - 17:15 Jan. 25 (Mon) 14:00 - 15:15

[Online]

- Zoom

[Participants]

- 7 companies (Konica Minolta, Yokogawa Electric, Takenaka, KOSE, Meidensha, Kurita Water, Janssen Pharmaceutical)

[Agenda]

- Report on 12/18 final pitch and utilization of spot consulting
- Future schedule (Overseas training, Next year program)
- Comments from trainees and company management
 - Trainees feel overseas training is attractive, so please provide the chance next year.
 - This year trainees were selected based on individual's wish, but will be selected by considering company's business next year.
 - It is surprising and attractive that the potential business partner was found through this program.
 - Team building method should be improved. The idea of doing self introduction may be good.
 - It may be a good idea that trainees can select optional lectures.
 - Improvement to do good discussion at Q&A will be necessary.
 - It is important for trainees to have attitude to appeal attractiveness of their business.
 - Attitude for work became more active through participating in this program.
- Requests for companies
 - Start selection of trainees for the next year.
 - Expect trainees who have spirit to resolve social issues and bring seeds for solution.
 - Expect companies to form teams by inviting students/researchers in the university.
