written oath

I agree to participate in The University of Tokyo GTIE program 3rd phase and/or 4th phase (hereinafter referred to as "the Program") provided by The University of Tokyo and to improve my business idea and also contribute to the learning of other trainees based on my examples (Hereinafter referred to as "the Purpose") and pledge the following.

1. I will keep the information (information provided or disclosed in connection with the Program by the Program student (student and researcher of university and research institute, corporate R&D personnel, corporate business development personnel) and other participant (mentor and interviewee), which, at the time of provision or disclosure, is specified explicitly in writing as confidential, or is orally informed and notified as confidential and is further notified as such in writing within 30 days after the disclosure) (hereinafter referred to as ‘confidential information’), confidential with the care of good manager and will not use for purposes other than the Purpose without prior written consent of the provider or discloser. However, information that falls under any of the following items is not included in confidential information, and I do not assume such obligation.

(1) Information that has already been known at the time of receiving or disclosure, or information that became publicly known for reasons not attributable to me after receiving or disclosure
(2) Information that was already owned by me at the time of receiving or disclosure
(3) Information that has been legitimately obtained without obligation to keep confidentiality from a third party
(4) Regardless of information provided or disclosed, information independently developed or found

2. Notwithstanding the preceding paragraph, upon receiving a request for disclosure of confidential information from government agencies, court or other public institutions based on laws, regulations, orders, etc., I promptly notify the provider or discloser. I will disclose such confidential information within the minimum necessary range provided that I notify the contents of disclosure and make efforts to prevent re-disclosure to third parties by the disclosure destination.
3. I will return the confidential information and its copies promptly to the provider or discloser when the Program terminates or discontinues or receives a request from the provider or discloser for return.

4. Regarding the copyright and other intellectual property rights of the copyrighted work obtained as a result of activities in the Program, including deliverables (including interim products) such as business plans that I created by participating in this program, I confirm that anything already owned or owned by a third party before the start of the Program is attributable to such owner and for other copyright and intellectual property rights if there is a need to coordinate their ownership I confirm that the ownership will be negotiated with the related students of the Program and the institutions to which the students belong.

5. Regarding the personal information that I learned from the Program, I will comply with relevant laws and regulations in accordance with the purpose of the law stipulating that protection.

6. This pledge will remain effective after the completion or discontinuation of the Program, until 3 years for the confidentiality in the paragraph 1, and until all the subject matters disappear for the paragraph 2, 3, and 6.

7. I agree that this pledge will be effective from September 1, 2022.

8. I have received sufficient explanation from the secretariat of the Program pertaining to the above provisions, understand it, understand that it is beneficial for myself, so I sign and affix this oath.
